

**IMPORTANT:** This booklet contains important information about the vehicle's warranty coverage. It also explains owner assistance information and HUMMER'S participation in an Alternative Dispute Resolution Program.

Keep this booklet with your vehicle and make it available to a HUMMER dealer if warranty work is needed. Be sure to keep it with your vehicle if you sell it so future owners will have the information.

**HUMMER'S Commitment**

HUMMER is committed to assuring satisfaction with your new vehicle.

Your dealer also wants you to be completely satisfied and invites you to return for all your service needs, both during and after the warranty period.

**Owner Assistance**

The dealer is best equipped to provide all your vehicle's service needs. Should you ever encounter a problem that is not resolved during or after the limited warranty period, talk to a member of dealer management. Under certain circumstances, HUMMER and/or HUMMER dealers may provide assistance after the limited warranty period has expired when the problem results from a defect in material or workmanship.

These instances will be reviewed on a case-by-case basis. If the issue has not been resolved to your satisfaction, follow the *Customer Satisfaction Procedure on page 28*.

We thank you for choosing HUMMER.

**HUMMER Participation in an Alternative Dispute Resolution Program**

See *Customer Satisfaction Procedure on page 28* for information on the voluntary, non-binding Alternative Dispute Resolution Program in which HUMMER participates.

**Warranty Service – United States and Canada**

The selling dealer has invested in the proper tools, training and parts inventory to ensure that any necessary warranty repairs can be made to your HUMMER vehicle. HUMMER requests that the vehicle be returned to the selling dealer for all warranty repairs. If a situation or event occurs where you are significantly inconvenienced, an authorized HUMMER dealer can make the warranty repairs. However, in the event the dealer is not able to perform the repair due to the special tool and training requirements, contact the *Customer Assistance Offices on page 33*. If you are unable to return to the selling dealer, contact a HUMMER dealer in the United States or Canada for warranty service.

## 2 Warranty Coverage at a Glance

---

The warranty coverages are summarized below.

### **New Vehicle Limited Warranty**

#### **Bumper-to-Bumper (Includes Tires)**

- Coverage is for the first 4 years or 50,000 miles, whichever comes first.

#### **Powertrain**

- Coverage is for the first 5 years or 100,000 miles, whichever comes first.

#### **Sheet Metal**

- Corrosion coverage is for the first 4 years or 50,000 miles, whichever comes first.
- Rust-through coverage is for the first 6 years, unlimited mileage.

### **Emission Control System Warranty**

#### **Federal**

- Gasoline Engines
  - Defects and performance for cars and light duty truck emission control systems are covered for the first 2 years or 24,000 miles, whichever comes first.
  - Defects and performance for heavy duty truck emission control systems are covered for the first 5 years or 50,000 miles, whichever comes first.

#### **California**

- Gasoline Engines
  - Defects and performance for cars, light duty, and medium duty truck emission control systems are covered for the first 3 years or 36,000 miles, whichever comes first.

From the first 3 years or 36,000 miles to 4 years or 50,000 miles defects in material and workmanship continue to be covered under the New Vehicle Limited Warranty Bumper-to-Bumper coverage explained previously.

- Specified components for cars or light duty trucks equipped with light duty or medium duty truck emission control systems are covered for the first 7 years or 70,000 miles, whichever comes first.
- Defects and performance for heavy duty truck emission control systems are covered for the first 5 years or 50,000 miles, whichever comes first.
- Defects and performance for the emission control systems are covered for the first 5 years or 50,000 miles, whichever comes first.

- Specified components for the emission control system are covered for the first 7 years or 70,000 miles, whichever comes first.

**Important:** Some California emission vehicles may have special coverages longer than those listed here. See "California Emission Control System Warranty" under *Emission Control Systems Warranty* on page 16.

**Noise Emissions**

- Coverage is for applicable vehicles weighing over 10,000 lbs based on the Gross Vehicle Weight Rating (GVWR) only, for the entire life of the vehicle.

## 4 New Vehicle Limited Warranty

---

HUMMER will provide for repairs to the vehicle during the warranty period in accordance with the following terms, conditions, and limitations.

### **What Is Covered**

#### **Warranty Applies**

This warranty is for HUMMER vehicles registered in the United States and normally operated in the United States or Canada, and is provided to the original and any subsequent owners of the vehicle during the warranty period.

#### **Repairs Covered**

The warranty covers repairs to correct any vehicle defect related to materials or workmanship occurring during the warranty period. Needed repairs will be performed using new or remanufactured parts.

#### **No Charge**

Warranty repairs, including towing, parts, and labor, will be made at no charge.

#### **Obtaining Repairs**

To obtain warranty repairs, take the vehicle to a HUMMER dealer facility within the warranty period and request the needed repairs. A reasonable time must be allowed for the dealer to perform necessary repairs.

#### **Warranty Period**

The warranty period for all coverages begins on the date the vehicle is first delivered or put in use and ends at the expiration of the coverage period.

#### **Bumper-to-Bumper Coverage**

The complete vehicle is covered for 4 years or 50,000 miles, whichever comes first, except for other coverages listed here under "What Is Covered" and those items listed under "What Is Not Covered" later in this section.

#### **Powertrain Coverage**

The powertrain is covered for 5 years or 100,000 miles, whichever comes first, except for other coverages listed here under "What is Covered" and those items listed under "What is Not Covered" later in this section.

**Engine Coverage includes:** All internally lubricated parts, engine oil cooling hoses, lines and radiators. Also included are all actuators and electrical components internal to the engine (i.e.: Active Fuel Management Valve Lifter Oil Manifold, etc.) cylinder head, block, timing gears, timing chain, timing cover, oil pump/oil pump housing, OHC carriers, valve covers, oil pan, seals, gaskets, manifolds, flywheel, water pump, harmonic balancer, engine mount, starter motor, turbocharger and supercharger. Timing belts are covered until the first scheduled maintenance interval.

*Exclusions:* Excluded from the powertrain coverage are sensors, wiring, connectors, engine radiator, coolant hoses, coolant and heater core. Coverage on the engine cooling system begins at the inlet to the water pump and ends with the thermostat housing and/or outlet that attaches to the return hose.

Also excluded is the entire pressurized fuel system (in-tank fuel pump, pressure lines, fuel rail(s), regulator, injectors and return line) as well as the Engine/Powertrain Control Module and/or module programming.

**Transmission/Transaxle Coverage includes:** All internally lubricated parts, case, torque converter, mounts, seals and gaskets as well as any electrical components internal to the transmission/transaxle. Also covered are any actuators directly connected to the transmission (slave cylinder, etc.).

*Exclusions:* Excluded from the powertrain coverage are transmission cooling lines, hoses, radiator, sensors, wiring and electrical connectors. Also excluded are the clutch and pressure plate as well as any Transmission Control Module and/or module programming.

**Transfer Case Coverage includes:** All internally lubricated parts, case, mounts, seals and gaskets as well as any electrical components internal to the transfer case. Also covered are any actuators directly connected to the transfer case as well as encoder motor.

*Exclusions:* Excluded from the powertrain coverage are transfer case cooling lines, hoses, radiator, sensors, wiring, electrical connectors as well as the transfer case control module and/or module programming.

## 6 New Vehicle Limited Warranty

---

### **Drive Systems Coverage**

**includes:** All internally lubricated parts, final drive housings, axle shafts and bearings, constant velocity joints, propeller shafts and universal joints. All mounts, supports, seals, gaskets as well as any electrical components internal to the drive axle. Also covered are any actuators directly connected to the drive axle (i.e.: front differential actuator, etc.).

*Exclusions:* Excluded from the powertrain coverage are all wheel bearings, drive wheel front and rear hub bearings, locking hubs, drive system cooling, lines, hoses, radiator, sensors, wiring and electrical connectors related to drive systems as well as any drive system control module and/or module programming.

### **Tire Coverage**

The tires supplied with your vehicle are covered against defects in material or workmanship under the Bumper-to-Bumper coverage. Any tire replaced will continue to be warranted for the remaining portion of the Bumper-to-Bumper coverage period.

After your New Vehicle Limited Warranty expires, you may still have pro-rated warranty coverage on your original equipment tires by the tire manufacturer. Contact the tire manufacturer of the brand of tires on your vehicle, if necessary, your HUMMER dealer or HUMMER Customer Assistance Center can provide you with the tire manufacturer's contact information.

### **Accessory Coverages**

All HUMMER parts and accessories sold and permanently installed on a HUMMER vehicle by a HUMMER Dealer or HUMMER approved

Accessory Distributor/Installer (ADI) prior to delivery will be covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. In the event HUMMER accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the balance of the applicable portion of the New Vehicle Limited Warranty, but in no event less than 12 months/12,000 miles.

HUMMER accessories sold over-the-counter, or those not requiring installation, will continue to receive the standard HUMMER Dealer Parts Warranty of 12 months from the date of purchase, parts only.

HUMMER Licensed Accessories are covered under the accessory-specific manufacturer's warranty and are not warranted by HUMMER or its dealers.

**Notice:** This warranty excludes:

**Any communications device that becomes unusable or unable to function as intended due to unavailability of compatible wireless service or GPS satellite signals.**

**Sheet Metal Coverage**

Sheet metal panels are covered against corrosion and rust-through as follows:

**Corrosion:** Body sheet metal panels are covered against rust for 3 years or 36,000 miles, whichever comes first.

**Rust-Through:** Any body sheet metal panel that rusts through, an actual hole in the sheet metal, is covered for up to 6 years, unlimited mileage.

**Important:** Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in sheet metal coverage.

**Towing**

Towing is covered to the nearest HUMMER dealer if your vehicle cannot be driven because of a warranted defect.

**What Is Not Covered**

**Tire and Wheel Damage or Wear**

Normal tire wear or wear-out is not covered. Road hazard damage such as punctures, cuts, snags, and breaks resulting from pothole impact, curb impact, or from other objects and tire wear due to misalignment beyond the maintenance period is not covered. Also, damage from improper inflation, spinning, as when stuck in mud or snow, tire chains, racing, improper mounting or dismounting, misuse, negligence, alteration, vandalism, or misapplication is not covered. Damage to wheels or tire sidewalls caused by automatic car washes or cleaning agents is not covered.

**Damage Due to Bedliners**

Owners of trucks with a bedliner, whether after-market or factory installed, should expect that with normal operation the bedliner will move. This movement may cause finish damage and/or squeaks and rattles. Therefore, any damage caused by the bedliner is not covered under the terms of the New Vehicle Limited Warranty.

**Damage Due to Accident, Misuse, or Alteration**

The New Vehicle Limited Warranty does not cover damage caused as the result of any of the following:

- Collision, fire, theft, freezing, vandalism, riot, explosion, or objects striking the vehicle
- Misuse of the vehicle such as driving over curbs, overloading, racing, or other competition. Proper vehicle use is discussed in the owner manual.

## 8 New Vehicle Limited Warranty

---

- Alteration, modification, or tampering to the vehicle, including, but not limited to the body, chassis, powertrain, driveline, or other components after final assembly by HUMMER.
- Coverages do not apply if the odometer has been disconnected, its reading has been altered, or mileage cannot be determined.
- Installation of non-HUMMER parts
- Water or fluid contamination
- Damage resulting from hail, floods, windstorms, lightning and other environmental conditions
- Alteration of glass parts by application of tinting films

**Important:** This warranty is void on vehicles currently or previously titled as salvaged, scrapped, junked, or otherwise considered a total loss.

### **Damage or Corrosion Due to Environment, Chemical Treatments, or Aftermarket Products**

Damage caused by airborne fallout, rail dust, salt from sea air, salt or other materials used to control road conditions, chemicals, tree sap, stones, hail, earthquake, water or flood, windstorm, lightning, the application of chemicals or sealants subsequent to manufacture, etc., is not covered. See “Chemical Paint Spotting” under *Things to Know About the New Vehicle Limited Warranty on page 11*.

### **Damage Due to Insufficient or Improper Maintenance**

Damage caused by failure to follow the recommended maintenance schedule intervals and/or failure to use or maintain proper fluids, or maintain fluids between recommended maintenance intervals, fuel, lubricants, or refrigerants recommended in the owner manual is not covered.

### **Damage Due to Contaminated or Poor Quality Fuel**

Poor fuel quality or incorrect fuel may cause driveability problems such as hesitation, lack of power, stall, or no start. It may also render gauges inoperable or degrade functionality for components such as spark plugs, oxygen sensors, and the catalytic converter. Damage from poor fuel quality, water contamination, incorrect diesel fuel or gasoline may not be covered.

It is recommended that gasoline meet specifications which were developed by automobile manufacturers around the world and contained in the World-Wide Fuel Charter which is available from the Alliance of Automobile Manufacturers at [www.autoalliance.org/fuel\\_charter.htm](http://www.autoalliance.org/fuel_charter.htm). Gasoline meeting these specifications could provide improved driveability and emission control system performance compared to other gasoline.

Please refer to your Owner Manual under "Fuel", for additional recommendations, including the use of TOP TIER Detergent Gasoline. Additional information can also be found at: [www.toptiergas.com/index.html](http://www.toptiergas.com/index.html).

**Damage Due to Impact, Use, or the Environment**

Windshield or glass cracks, chips or scratches due to impact are not covered. Windshield cracks will be covered for the first 12 months, regardless of mileage if caused by defects in material or workmanship.

Lights, lens, mirrors, paint, grill, moldings and trim are not covered for cracks, chips, scratches, dents, dings and punctures or tears as a result of impact with other objects or road hazards. In addition, cracks, chips, scratches or other damage to the face of a radio or instrument cluster from impact or foreign objects is not covered.

**Maintenance**

All vehicles require periodic maintenance. Maintenance services, such as those detailed in the owner manual are the owner's expense. Vehicle lubrication, cleaning, or polishing are not covered. Failure of or damage to components requiring replacement or repair due to vehicle use, wear, exposure, or lack of maintenance is not covered.

Items such as:

- Audio System Cleaning
- Brake Pads/Linings
- Clutch Linings
- Coolants and Fluids
- Filters
- Keyless Entry (or other remote transmitter/receiver batteries) \*
- Limited Slip Rear Axle Service
- Tire Rotation
- Wheel Alignment/Balance \*\*
- Wiper Inserts

are covered up to the first maintenance inspection period outlined in the Owner Manual. Any replacement at the time of, or beyond the maintenance inspection period is considered maintenance, and is not covered as part of the New Vehicle Limited Warranty. The New Vehicle Limited Warranty only covers components when replacement or repair of these components is the result of a defect in material or workmanship

\* Consumable battery covered up to 12 months only.

\*\* Maintenance items after 7,500 miles.

**Extra Expenses**

Economic loss or extra expense is not covered.

Examples include:

- Inconvenience
- Lodging, meals, or other travel costs
- Loss of vehicle use

## 10 New Vehicle Limited Warranty

---

- Payment for loss of time or pay
- State or local taxes required on warranty repairs
- Storage

**Other Terms:** This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

HUMMER does not authorize any person to create for it any other obligation or liability in connection with these vehicles. **Any implied warranty of merchantability or fitness for a particular purpose applicable to this vehicle is limited in duration to the duration of this written warranty. Performance of repairs and needed adjustments is the exclusive remedy under this written warranty or any implied warranty.**

**HUMMER shall not be liable for incidental or consequential damages, such as, but not limited to, lost wages or vehicle rental expenses, resulting from breach of this written warranty or any implied warranty.\***

\* Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

**Warranty Repairs – Component Exchanges**

In the interest of customer satisfaction, HUMMER may offer exchange service on some vehicle components. This service is intended to reduce the amount of time your vehicle is not available for use due to repairs. Components used in exchange are service replacement parts which may be new, remanufactured, reconditioned, or repaired, depending on the component involved.

All exchange components used meet HUMMER standards and are warranted the same as new components. Examples of the types of components that might be serviced in this fashion include: engine and transmission assemblies, instrument cluster assemblies, radios, compact disc players, tape players, batteries, and powertrain control modules.

**Warranty Repairs – Recycled Materials**

Environmental Protection Agency (EPA) guidelines and HUMMER support the capture, purification, and reuse of automotive air conditioning refrigerant gases and engine coolant. As a result, any repairs HUMMER may make to your vehicle may involve the installation of purified reclaimed refrigerant and coolant.

**Tire Service**

Any authorized HUMMER or tire dealer for your brand of tires can assist you with tire service. If, after contacting one of these dealers, you need further assistance or you have questions, contact HUMMER Customer Assistance Center. The toll-free telephone numbers are listed under *Customer Assistance Offices on page 33*.

**Aftermarket Engine Performance Enhancement Products and Modifications**

Some aftermarket engine performance products and modifications promise a way to increase the horsepower and torque levels of your vehicle's powertrain. You should be aware that these products may have detrimental effects on the performance and life of the engine, exhaust emission system, transmission, and drivetrain. Engine power enhancement products may enable the engine to operate at horsepower and torque levels that could damage, create failure, or reduce the life of the engine, engine emission system, transmission, and drivetrain. Damage, failure, or reduced life of the engine, transmission, emission system, drivetrain or other vehicle components caused by aftermarket engine performance enhancement products or modifications may not be covered under your vehicle warranty.

## 12 Things to Know About the New Vehicle Limited Warranty

---

### **After-Manufacture “Rustproofing”**

Your vehicle was designed and built to resist corrosion. Application of additional rust-inhibiting materials is neither necessary nor required under the Sheet Metal Coverage. HUMMER makes no recommendations concerning the usefulness or value of such products.

Application of after-manufacture rustproofing products may create an environment which reduces the corrosion resistance built into your vehicle. Repairs to correct damage caused by such applications are not covered under your New Vehicle Limited Warranty.

### **Paint, Trim, and Appearance Items**

Defects in paint, trim, upholstery, or other appearance items are normally corrected during new vehicle preparation. If you find any paint or appearance concerns, advise your dealer as soon as possible. Your owner manual has instructions regarding the care of these items.

### **Vehicle Operation and Care**

Considering the investment you have made in your HUMMER, we know you will want to operate and maintain it properly. We urge you to follow the maintenance instructions in your owner manual.

If you have questions on how to keep your vehicle in good working condition, see your HUMMER dealer, the place many customers

choose to have their maintenance work done. You can rely on your HUMMER dealer to use the proper parts and repair practices.

### **Maintenance and Warranty Service Records**

Retain receipts covering performance of regular maintenance. Receipts can be very important if a question arises as to whether a malfunction is caused by lack of maintenance or a defect in material or workmanship.

A “Maintenance Record” is provided in the maintenance schedule section of the owner manual for recording services performed.

The servicing dealer can provide a copy of any warranty repairs for your records.

**Chemical Paint Spotting**

Some weather and atmospheric conditions can create a chemical fallout. Airborne pollutants can fall upon and adhere to painted surfaces on your vehicle. This damage can take two forms: blotchy, ring-shaped discolorations, and/or small irregular dark spots etched into the paint surface.

Although no defect in the factory applied paint causes this, HUMMER will repair, at no charge to the owner, the painted surfaces of new vehicles damaged by this fallout condition within 12 months or 12,000 miles of purchase, whichever comes first.

**Warranty Coverage – Extensions**

**Time Extensions:** The New Vehicle Limited Warranty will be extended one day for each day beyond the first 24 hour period in which your vehicle is at an authorized dealer facility for

warranty service. You may be asked to show the repair orders to verify the period of time the warranty is to be extended. Your extension rights may vary depending on state law.

**Mileage Extension:** Prior to delivery, some mileage is put on your vehicle during testing at the assembly plant, during shipping, and while at the dealer facility. The dealer records this mileage on the first page of this warranty booklet at delivery. For eligible vehicles, this mileage will be added to the mileage limits of the warranty ensuring that you receive full benefit of the coverage. Mileage extension eligibility:

- Applies only to new vehicles held exclusively in new vehicle inventory.
- Does not apply to used vehicles, HUMMER-owned vehicles, dealer owned used vehicles, or dealer demonstrator vehicles.

- Does not apply to vehicles with more than 1,000 miles on the odometer even though the vehicle may not have been registered for license plates.

**Touring Owner Service – Foreign Countries**

If you are touring in a foreign country and repairs are needed, take your vehicle to a HUMMER dealer facility, preferably one which sells and services HUMMER vehicles. Once you return to the United States, provide your dealer with a statement of circumstances, the original repair order, proof of ownership, and any paid receipt indicating the work performed and parts replaced for reimbursement consideration.

**Important:** Repairs made necessary by the use of improper or dirty fuels and lubricants are not covered under the warranty. See your owner manual for additional information on fuel requirements when operating in foreign countries.

## 14 Things to Know About the New Vehicle Limited Warranty

---

### Warranty Service – Foreign Countries

This warranty applies to HUMMER vehicles registered in the United States and normally operated in the United States or Canada. If you have permanently relocated and established household residency in another country, HUMMER may authorize the performance of repairs under the warranty authorized for vehicles generally sold by HUMMER in that country. Contact an authorized HUMMER dealer in your country for assistance.

**Important:** HUMMER warranty coverages may be void on HUMMER vehicles that have been imported/exported for resale.

### Original Equipment Alterations

This warranty does not cover any damage or failure resulting from modification or alteration to the vehicle's original equipment as manufactured or assembled by HUMMER. Examples of the types of alterations that would not be covered include cutting, welding, or disconnecting of the vehicle's original equipment parts and components.

**Additionally, HUMMER does not warranty non-HUMMER parts and/or calibrations.** The use of parts and/or control module calibrations not issued through HUMMER will void the warranty coverage for those components that are damaged or otherwise affected by the installation of the non-HUMMER part and/or control module calibration.

The only exception is that non-HUMMER parts labeled "Certified to EPA Standards" are covered by the Federal Emissions Performance Warranty.

### Recreation Vehicle and Special Body or Equipment Alterations

Installations or alterations to the original equipment vehicle, or chassis, as manufactured and assembled by HUMMER, are not covered by this warranty. The special body company, assembler, or equipment installer is solely responsible for warranties on the body or equipment and any alterations to any of the parts, components, systems, or assemblies installed by HUMMER.

Examples include, but are not limited to, special body installations, such as recreational vehicles, the installation of any non-HUMMER part, cutting, welding, or the disconnecting of original equipment vehicle or chassis parts and components, extension of wheelbase, suspension and driveline modifications, and axle additions.

**Pre-Delivery Service**

Defects in the mechanical, electrical, sheet metal, paint, trim, and other components of your vehicle may occur at the factory or while it is being transported to the dealer facility. Normally, any defects occurring during assembly are identified and corrected at the factory during the inspection process. In addition, dealers inspect each vehicle before delivery. They repair any uncorrected factory defects and any transit damage detected before the vehicle is delivered to you.

Any defects still present at the time the vehicle is delivered to you are covered by the warranty. If you find any defects, advise your dealer without delay. For further details concerning any repairs which the dealer may have made prior to you taking delivery of your vehicle, ask your dealer.

**Production Changes**

HUMMER and HUMMER dealers reserve the right to make changes in vehicles built and/or sold by them at any time without incurring any obligation to make the same or similar changes on vehicles previously built and/or sold by them.

**Noise Emissions Warranty for Light Duty Trucks Over 10,000 LBS Gross Vehicle Weight Rating (GVWR) Only**

HUMMER warrants to the first person who purchases this vehicle for purposes other than resale and to each subsequent purchaser

of this vehicle, as manufactured by HUMMER, that this vehicle was designed, built, and equipped to conform at the time it left HUMMER's control with all applicable United States EPA Noise Control Regulations.

This warranty covers this vehicle as designed, built, and equipped by HUMMER, and is not limited to any particular part, component, or system of the vehicle manufactured by HUMMER. Defects in design, assembly, or in any part, component, or vehicle system as manufactured by HUMMER, which, at the time it left HUMMER's control, caused noise emissions to exceed Federal Standards, are covered by this warranty for the life of the vehicle.

## 16 Emission Control Systems Warranty

---

The emission warranty on your vehicle is issued in accordance with the U.S. Federal Clean Air Act. Defects in material or workmanship in emission parts may also be covered under the New Vehicle Limited Warranty Bumper-to-Bumper coverage. In any case, the warranty with the broadest coverage applies.

### What Is Covered

The parts covered under the emission warranty are listed under the *Emission Warranty Parts List* on page 21.

### How to Determine the Applicable Emissions Control System Warranty

State and Federal agencies may require different emission control system warranty depending on:

- Whether the vehicle conforms to regulations applicable to light duty or heavy duty emission control systems.
- Whether the vehicle conforms to or is certified for California regulations in addition to U.S. EPA Federal regulations.

All vehicles are eligible for Federal Emissions Control System Warranty Coverage. If the emissions control label contains language stating the vehicle conforms to California regulations, the vehicle is also eligible for California Emissions Control System Warranty Coverage.

### Federal Emission Control System Warranty

#### Federal Warranty Coverage

- Car or Light Duty Truck with a Gross Vehicle Weight Rating (GVWR) of 8,500 lbs. or less
  - 2 years or 24,000 miles and 8 years or 80,000 miles for the catalytic converter, vehicle/powertrain control module, transmission control module or other onboard emissions diagnostic device, including emission-related software, whichever comes first.

- Light Duty Truck equipped with Heavy Duty Gasoline Engine and with a Gross Vehicle Weight Rating (GVWR) greater than 8,500 lbs.
  - 5 years or 50,000 miles, whichever comes first.
- Light Duty Truck equipped with Heavy Duty Diesel Engine and with a Gross Vehicle Weight Rating (GVWR) greater than 8,500 lbs.
  - 5 years or 50,000 miles, whichever comes first.

**Federal Emission Defect Warranty**

HUMMER warrants to the owner the following:

- The vehicle was designed, equipped, and built so as to conform at the time of sale with applicable regulations of the Federal Environmental Protection Agency (EPA).
- The vehicle is free from defects in materials and workmanship which cause the vehicle to fail to

conform with those regulations during the emission warranty period.

Emission related defects in the genuine parts listed under the Emission Warranty Parts List, including related diagnostic costs, parts, and labor are covered by this warranty.

**Federal Emission Performance Warranty**

Some states and/or local jurisdictions have established periodic vehicle Inspection and Maintenance (I/M) programs to encourage proper maintenance of your vehicle. If an EPA-approved I/M program is enforced in your area, you may also be eligible for Emission Performance Warranty coverage when all of the following three conditions are met:

- The vehicle has been maintained and operated in accordance with the instructions for proper maintenance and

use set forth in the owner manual supplied with your vehicle.

- The vehicle fails an EPA-approved I/M test during the emission warranty period.
- The failure results, or will result, in the owner of the vehicle having to bear a penalty or other sanctions, including the denial of the right to use the vehicle, under local, state, or federal law.

HUMMER warrants that your dealer will replace, repair, or adjust to HUMMER specifications, at no charge to you, any of the parts listed under *Emission Warranty Parts List on page 21*, which may be necessary to conform to the applicable emission standards. Non-HUMMER parts labeled "Certified to EPA Standards" are covered by the Federal Emission Performance Warranty.

## 18 Emission Control Systems Warranty

---

### California Emission Control System Warranty

This section outlines the emission warranty that HUMMER provides for your vehicle in accordance with the California Air Resources Board.

Defects in material or workmanship in emission parts may also be covered under the New Vehicle Limited Warranty Bumper-to-Bumper coverage. In any case, the warranty with the broadest coverage applies.

This warranty applies if your vehicle meets both of the following requirements:

- Your vehicle is registered in California **or other states adopting California emission and warranty regulations.\***
- Your vehicle is certified for sale in California as indicated on the vehicle's emission label.

\* **Important:** Connecticut, Maine, Massachusetts, New Jersey, Oregon, Pennsylvania, Rhode Island, Vermont, and Washington

have California Emissions Warranty coverage. (New York adopted California emission standards, but not the California Emissions Warranty. The Federal Emissions Control Warranty applies to all non-PZEV vehicles in New York.)

California Partial Zero Emission Vehicles (PZEV) have extended coverage on all emission related parts.

**Important:** California, Connecticut, Maine, Massachusetts, New Jersey, New York, Rhode Island, and Vermont have PZEV Emission Warranty Coverage.

### Your Rights and Obligations (For Vehicles Subject to California Exhaust Emission Standards)

The California Air Resources Board and HUMMER are pleased to explain the emission control system warranty on your vehicle.

In California, new motor vehicles must be designed, built, and equipped to meet the State's stringent anti-smog standards. HUMMER must warrant the emission control system on your vehicle for the periods of time and mileage listed provided there has been no abuse, neglect, or improper maintenance of your vehicle. Your vehicle's emission control system may include parts such as the fuel injection system, ignition system, catalytic converter, and engine computer. Also included are hoses, belts, connectors, and other emission related assemblies.

Where a warrantable condition exists, HUMMER will repair your vehicle at no cost to you including diagnosis, parts, and labor.

**California Emission Defect and Emission Performance Warranty Coverage**

For vehicles with GVWR of 14,000 lbs. and under:

- For 3 years or 50,000 miles, whichever comes first:
  - If your vehicle fails a smog check inspection, HUMMER will make all necessary repairs and adjustments to ensure that your vehicle passes the inspection. This is your Emission Control System Performance Warranty.
  - If any emission related part on your vehicle is defective, HUMMER will repair or replace it. This is your Short-term Emission Defects Warranty.

- For 7 years or 70,000 miles, whichever comes first:
  - If an emission related part listed in this booklet specially noted with coverage for 7 years or 70,000 miles is defective, HUMMER will repair or replace it. This is your Long-term Emission Control System Defects Warranty.

For vehicles with GVWR of 8,500 lbs. or less, in addition to the coverage for vehicles with GVWR of 14,000 lbs. and under, the following warranty coverage applies:

- For 8 years or 80,000 miles, whichever comes first:
  - If the catalytic converter or vehicle/ powertrain control module, transmission control module or other onboard emissions diagnostic device, including emissions related software, is found to be

defective, HUMMER will repair or replace it under the Federal Emission Control System Warranty.

- For 8 years or 100,000 miles, whichever comes first for California Low Emission Vehicle 2 (LEV2) vehicles equipped with option code NUA:
  - If an emission related part listed in this booklet specially noted with 7 years/70,000 miles or 8 years/80,000 miles is defective, HUMMER will repair or replace it. This is your Long-term Emission Control System Defect Warranty.

Any authorized HUMMER dealer will, as necessary under these warranties, replace, repair, or adjust to HUMMER specifications any genuine parts that affect emissions.

## 20 Emission Control Systems Warranty

---

The applicable warranty period shall begin on the date the vehicle is delivered to the first retail purchaser or, if the vehicle is first placed in service as a demonstrator or company vehicle prior to sale at retail, on the date the vehicle is placed in such service.

### **Owner's Warranty Responsibilities**

As the vehicle owner, you are responsible for the performance of the scheduled maintenance listed in your owner manual. HUMMER recommends that you retain all maintenance receipts for your vehicle, but HUMMER cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your vehicle to a HUMMER dealer selling your vehicle line as soon as a problem exists.

The warranted repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that HUMMER may deny warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper or insufficient maintenance, or modifications not approved by HUMMER.

If you have any questions regarding your rights and responsibilities under these warranties, you should contact the Customer Assistance Center at 1-866-486-6376 or, in California, write to:

State of California Air  
Resources Board  
Mobile Source Operations Division  
P.O. Box 8001  
El Monte, CA 91731-2990

The emission parts listed here are covered under the Emission Control System Warranty. The terms are explained previously in this section under the "Federal Emission Control System Warranty" and the "California Emission Control System Warranty".

**Important:** Certain parts may be covered beyond these warranties if shown with asterisk(s) as follows:

- (\*) 7 years/70,000 miles, whichever comes first, California Emission Control System Warranty coverage.
- (\*\*) 8 years/80,000 miles, whichever comes first, Federal Emission Control System Warranty coverage. (Also applies to California certified light duty and medium duty vehicles.)
- (\*) and (\*\*) are 8 years/100,000 miles, whichever comes first, for California LEV2 vehicles equipped with option code NUA.

The Emission Control System Warranty obligations do not apply to conditions resulting from tampering, abuse, neglect, or improper maintenance; or any other item listed under "What Is Not Covered" under *New Vehicle Limited Warranty on page 4*. The "Other Terms" presented under *New Vehicle Limited Warranty on page 4* also apply to the emission related warranties.

**Powertrain Control System**

- ABS Control Module \*\*
- Camshaft Position Actuator \*
- Camshaft Position Actuator Valve
- Coolant Level Sensor
- Data Link Connector
- Engine Control Module (ECM) \*\*
- Engine Coolant Temperature Sensor
- Fuel Control Module \*\*
- Intake Air Temperature Sensor

- Malfunction Indicator Lamp
- Manifold Absolute Pressure Sensor
- Mass Air Flow Sensor
- Oil Pressure Sensor Active Fuel Management™ (AFM) only
- Oxygen Sensor(s)
- Powertrain Control Module (PCM) \*\*
- Throttle Position Sensor
- Vehicle Control Module (VCM) \*\*
- Vehicle Speed Sensor
- Wheel Speed Sensor
- Transmission Controls and Torque Management**
- GMLAN (CAN) Communications Circuit
- Manual Transmission Clutch Switch
- Park/Neutral Switch
- Torque Converter Clutch Solenoids
- Torque Converter Clutch Switch

### Hybrid

Auxiliary Transmission Fluid Pump *	SGCM Coolant Circuit (fan and fan relay and pump)	Housings
Battery Cooling Fan	Starter Generator *	Mounting Hardware
Battery Pack Control Module (BPCM) **	Starter Generator Control Module (SGCM) **	Pipes
Battery Pack Current Sensor	Transmission Friction Elements *	Pulleys
Brake Pedal Travel Sensor	Transmission Substrate	Sealing Devices
Drive Motors A and B *	Temperature Sensor	Springs
Drive Motor A and B Resolvers *	<b>Miscellaneous Items Used with Above Components are Covered</b>	Tubes
Drive Motor/Generator Control Module (DMCM - HCP, MCPA, MCPB) **	Belts	Wiring and Relays
Electro-Hydraulic Brake Control Module (EBCM) **	Boots	Parts specified in your maintenance schedule that require scheduled replacement are covered up to their first replacement interval or the applicable emission warranty coverage period, whichever comes first. If failure of one of these parts results in failure of another part, both will be covered under the Emission Control System Warranty.
Energy Storage Control Module **	Clamps	For detailed information concerning specific parts covered by these emission control system warranties, ask your dealer.
Fuel Filler Pipe Adapter Seal	Connectors	
Hybrid Batteries *	Ducts	
Hybrid Battery Temperature Sensors	Fittings	
Hybrid Battery Voltage Sensors	Gaskets	
	Grommets	
	Hoses	

**Replacement Parts**

The emission control systems of your vehicle were designed, built, and tested using genuine HUMMER parts\* and the vehicle is certified as being in conformity with applicable federal and California emission requirements.

**Accordingly, it is recommended that any replacement parts used for maintenance or for the repair of emission control systems be new, genuine HUMMER parts.**

The warranty obligations are not dependent upon the use of any particular brand of replacement parts. The owner may elect to use non-genuine HUMMER parts for replacement purposes. Use of replacement parts which are not of equivalent quality may impair the effectiveness of emission control systems.

If other than new, genuine HUMMER parts are used for maintenance replacements or for the repair of parts affecting emission control, the owner should assure himself/herself that such parts are warranted by their manufacturer to be equivalent to genuine HUMMER parts in performance and durability.

\* "Genuine HUMMER parts", when used in connection with HUMMER vehicles, means parts manufactured by or for HUMMER, designed for use on HUMMER vehicles, and distributed by any division or subsidiary of HUMMER.

**Maintenance and Repairs**

Maintenance and repairs can be performed by any qualified service outlet; however, warranty repairs must be performed by an authorized dealer except in an emergency situation when a warranted part or a warranty station is not reasonably available to the vehicle owner.

In an emergency, where an authorized dealer is not reasonably available, repairs may be performed at any available service establishment or by the owner, using any replacement part. HUMMER will consider reimbursement for the expense incurred, including diagnosis, not to exceed the manufacturer's suggested retail price for all warranted parts replaced and labor charges based on HUMMER's recommended time allowance for the warranty repair and the geographically appropriate labor rate. A part not being available within 10 days or a repair not being completed within 30 days constitutes an emergency. Retain receipts and failed parts in order to receive compensation for warranty repairs reimbursable due to an emergency.

## 26 Emission Warranty Parts List

---

If, in an emergency situation, it is necessary to have repairs performed by other than a HUMMER dealer and you believe the repairs are covered by emission warranties, take the replaced parts and your receipt to a HUMMER dealer for reimbursement consideration. This applies to both the Federal Emission Defect Warranty and Federal Emission Performance Warranty.

Receipts and records covering the performance of regular maintenance or emergency repairs should be retained in the event questions arise concerning maintenance. These receipts and records should be transferred to each subsequent owner. HUMMER will not deny warranty coverage solely on the absence of maintenance records.

However, HUMMER may deny a warranty claim if a failure to perform scheduled maintenance resulted in the failure of a warranty part.

### Claims Procedure

As with the other warranties covered in this booklet, take your vehicle to any authorized HUMMER dealer facility to obtain service under the emission warranty. This should be done as soon as possible after failing an EPA-approved I/M test or a California smog check test, or at any time you suspect a defect in a part.

Those repairs qualifying under the warranty will be performed by any HUMMER dealer at no charge. Repairs which do not qualify will be charged to you.

You will be notified as to whether or not the repair qualifies under the warranty within a reasonable time, not to exceed 30 days after receipt of the vehicle by the dealer, or within the time period required by local or state law.

The only exceptions would be if you request or agree to an extension, or if a delay results from events beyond the control of your dealer or HUMMER. If you are not so notified, HUMMER will provide any required repairs at no charge.

In the event a warranty matter is not handled to your satisfaction, refer to the *Customer Satisfaction Procedure* on page 28.

For further information or to report violations of the Emission Control System Warranty, you may contact the EPA at:

Manager, Certification and Compliance  
Division (6405J)  
Warranty Claims  
Environmental Protection Agency  
Ariel Rios Building  
1200 Pennsylvania Avenue, N.W.  
Washington, DC 20460

For a vehicle subject to the California Exhaust Emission Standards, you may contact the:

State of California Air Resources Board  
Mobile Source Operations Division  
P.O. Box 8001  
El Monte, CA 91731-2990

## 28 Customer Satisfaction Procedure

---

Your satisfaction and goodwill are important to your dealer and to HUMMER. Normally, any concerns with the sales transaction or the operation of your vehicle will be resolved by your dealer's sales or service departments. Sometimes, however, despite the best intentions of all concerned, misunderstandings can occur. If your concern has not been resolved to your satisfaction, the following steps should be taken:

**STEP ONE: Discuss your concern with a member of dealer management.** Normally, concerns can be quickly resolved at that level. If the matter has already been reviewed with the sales, service, or parts manager, **contact the owner of the dealer facility** or the general manager.

**STEP TWO:** If after contacting a member of dealer management, it appears your concern cannot be resolved by the dealer without

further help **contact the HUMMER Customer Assistance Center** by calling 1-866-HUMMER6 (486-6376). In Canada, contact GM of Canada Central Office by calling 1-800-263-3777: English or 1-800-263-7854: French.

**We encourage you to call the toll-free number in order to give your inquiry prompt attention.**

Have the following information available to give the Customer Assistance Representative:

- The Vehicle Identification Number (VIN). This is available from the vehicle registration or title, or the plate above the top of the instrument panel on the driver side, and visible through the windshield.
- The dealer name and location
- The vehicle delivery date and present mileage

When contacting HUMMER, remember that your concern will likely be resolved at a dealer's

facility. That is why we suggest you follow Step One first if you have a concern.

**STEP THREE:** Both HUMMER and your dealer are committed to making sure you are completely satisfied with your new vehicle. However, if you continue to remain unsatisfied after following the procedure outlined in Steps One and Two, you can file with the Better Business Bureau (BBB) Auto Line Program to enforce any additional rights you may have.

The BBB Auto Line Program is an out of court program administered by the Council of Better Business Bureaus to settle automotive disputes regarding vehicle repairs or the interpretation of the New Vehicle Limited Warranty. Although you may be required to resort to this informal dispute resolution program prior to filing a court action, use of the program is free of charge and your case will generally be heard within 40 days.

If you do not agree with the decision given in your case, you may reject it and proceed with any other venue for relief available to you.

Contact the BBB Auto Line Program using the toll-free telephone number or write them at the following address:

BBB Auto Line Program  
Council of Better Business  
Bureaus, Inc.  
4200 Wilson Boulevard  
Suite 800  
Arlington, VA 22203-1804  
1-800-955-5100  
[www.dr.bbb.org/goauto](http://www.dr.bbb.org/goauto)

This program is available in all 50 states and the District of Columbia. Eligibility is limited by vehicle age, mileage, and other factors. HUMMER reserves the right to change eligibility limitations and/or to discontinue its participation in this program.

## 30 State Warranty Enforcement Laws

---

Laws in many states permit owners to obtain a replacement vehicle or a refund of the purchase price under certain circumstances. The provisions of these laws vary from state to state. To the extent allowed by state law, HUMMER requires that you first provide us with written notification of any service difficulty you have experienced so that we have an opportunity to make any needed repairs before you are eligible for the remedies provided by these laws. The address for written notification, is in *Customer Assistance Offices on page 33*.

California Civil Code Section 1793.2(d) requires that, if HUMMER or its representatives are unable to repair a new motor vehicle to conform to the vehicle's applicable express warranties after a reasonable number of attempts, HUMMER shall either replace the new motor vehicle or reimburse the buyer the amount paid or payable by the buyer. California Civil Code Section 1793.22(b) creates a presumption that HUMMER has had a reasonable number of attempts to conform the vehicle to its applicable express warranties if, within 18 months from delivery to the buyer or 18,000 miles

on the vehicle's odometer, whichever occurs first, one or more of the following occurs:

- The same nonconformity results in a condition that is likely to cause death or serious bodily injury if the vehicle is driven AND the nonconformity has been subject to repair two or more times by HUMMER or its agents AND the buyer or lessee has directly notified HUMMER of the need for the repair of the nonconformity.
- The same nonconformity has been subject to repair four or more times by HUMMER or its agents AND the buyer has notified HUMMER of the need for the repair of the nonconformity.

- The vehicle is out of service by reason of repair nonconformities by HUMMER or its agents for a cumulative total of more than 30 calendar days after delivery of the vehicle to the buyer.

NOTICE TO HUMMER care of GENERAL MOTORS AS REQUIRED ABOVE SHALL BE SENT TO THE FOLLOWING ADDRESS:

HUMMER c/o General Motors LLC  
P.O. Box 33170  
Detroit, MI 48232-5170

When you make an inquiry, you will need to give the year, model, and mileage of your vehicle and your VIN.

## **32 Special Coverage Adjustment Programs Beyond the Warranty Period**

---

HUMMER is proud of the protection afforded by its warranty coverages. In order to achieve maximum customer satisfaction, there may be times when HUMMER will establish a special coverage adjustment program to pay all or part of the cost of certain repairs not covered by the warranty or to reimburse certain repair expenses you may have incurred. Check with your HUMMER dealer or call the HUMMER Customer Assistance Center to determine whether any special coverage adjustment program is applicable to your vehicle.

When you make an inquiry, you will need to give the year, model, and mileage of your vehicle and your VIN.

HUMMER encourages customers to call the toll-free telephone number for assistance. However, if you wish to write or e-mail HUMMER, refer to the address below.

## 36 Roadside Assistance Program

---

HUMMER is proud to offer the response, security, and convenience of HUMMER's 24-hour Roadside Assistance Program for a period of 5 years or 100,000 miles, whichever comes first. Consult your dealer or refer to the owner manual for details. The HUMMER Roadside Assistance Center can be reached by calling 1-866-HUMMER6 (486-6376).

Roadside Assistance is not part of or included in the coverage provided by the New Vehicle Limited Warranty. HUMMER and General Motors of Canada Limited reserve the right to make any changes or discontinue the Roadside Assistance program at any time without notification.

If your vehicle requires warranty repairs during the 5 year/ 100,000 mile warranty coverage period, alternate transportation and/or reimbursement of certain transportation expenses may be available under the Courtesy Transportation Program. Several transportation options are available. Consult your dealer or refer to the owner manual for details.

Courtesy Transportation is not part of or included in the coverage provided by the New Vehicle Limited Warranty. HUMMER and General Motors of Canada Limited reserve the right to make any changes or discontinue the Courtesy Transportation program at any time without notification.
